

danceCREATE Core Values

Personable and Relatable

Understanding the goals, motivations, and interests of all stakeholders to build mutual understanding, affinity, open communication, and collaboration to deliver meaningful and intended products

Accessible

Making dance, creative movement, and quality entertainment available to ALL, regardless of career path, personal goals or seasons of life (professional performers and non-performance artists alike!)

Breaking dance down to easy, doable steps, within a friendly, supportive and creative environment

Providing entertainment productions that have relatable entertainment value

Ethical

Operating with the highest ethical standards, honesty, and transparency

Inspirational

Creating a safe and engaging environment that fosters creativity, confidence, inclusivity and personal and professional growth

Highly-Professional

Upholding commitments, and being fair-minded, collaborative, dependable, reliable, and consistent with all stakeholders (students, staff, external partners)

Implementing effective time-management and resource utilization strategies

Maintaining a rigorous business planning, implementation, and review process

Effectively managing organization finances

Leading by example, embodying the DanceCreate Core Values

Dignity and Respect for All

Respectful in all interactions, including student and staff engagement, and collaborative partnerships and project efforts

Embracing students, staff, and external partners with diverse backgrounds, experience, interests and goals

Respectful

Building positive connections and strengthening community through accessible workshops, classes and soul-enriching entertainment

Creating space where people can thrive and creative, have fun, and openly express themselves
